To the Management Team

International Journal of Innovation, Creativity and Change

Thank you for publishing our paper in the International Journal of Innovation, Creativity and Change in volume 9 issue 10 as the link: https://www.ijicc.net/images/vol9iss10/91011_Sutarti_2019_E_R.pdf. (Attached)

But after we read again, in the paper there are still some errors in the use of language. The example on page 265 still shows where the Indonesian word is used.

We would like to know whether it is possible for the management team to substitute the PDF file that has been uploaded with the revised PDF file. Because these errors indicate the quality of our paper is not excellent.

As a material for improvement and consideration, we are attaching the following published paper and revised paper which has been adjusted to the format and page number as PDF file uploaded in the **IJICC** journal.

We sincerely hope that this request will be granted. If there are any additional costs required for us to revise the paper, please submit.

Thank you for your attention.

Best regards,

Sutarti
