Dear editor

First of all, we would like to say thank you for your kind consideration in publishing our manuscript in AMJ.

Hereby we attached our revised manuscript as suggested in the peer-review process. Firstly, we give a positive direction for all the hypotheses. Secondly, we explain the profile of respondents briefly in the research method section. Third, we give the implications briefly regarding managerial implications. To make it easier for the editor to find the revisions, we change the font color from black to blue color.

Thank you for your consideration and we are looking forward to hearing good news from you
Best regards
